16 March 2020

At Beaver Island, we're not just here to brew great beer; we're going to keep our community healthy while the Coronavirus (COVID-19) situation develops. As such, we're following the guidelines set by the Centers for Disease Control and Prevention ([cdc.gov](https://www.cdc.gov)) and the Minnesota Department of Health (health.state.mn.us).

At this time, our brewing and packaging calendar will continue as scheduled. We are in contact with our suppliers; companies that are following the current CDC recommendations as well as everyday safety and sanitation protocols.

The taproom will remain open during regular business hours. We appreciate your trust and we are taking actions necessary to keep you safe while providing the same great service and beer. Rest assured, we continue to follow all safety protocols and sanitation practices to protect our customers, our products and our staff. Additional Taproom safety measures are as follows:

Sanitation

- Increased hand-washing and use of disposable gloves
- Additional sanitation of touch surfaces
 - Doors, bar, tables, stools, chairs, pens
- Glasses are one use per beverage
- Plastic cups available upon request
- Removal of menus, games and books

Social Distancing

- Tables spaced 6 feet apart or more
- Removal of some bar stools
- Growlers available for pick-up and delivery
- Postponing events on a case-by-case basis

Staff

- Encouraged to stay home with symptoms
 - Fever, cough, shortness of breath
- Communication about known exposure
- Maintain proper hygiene
- Requiring a 14 day self-quarantine for all staff who have traveled outside the area.

Production Facility

- Suspension all customer and vendor meetings
- Increased hand-washing and use of disposable gloves

We are a local brewery and a small business, and appreciate your continued support throughout the past five years. Your concerns are our concerns and we are doing everything we can to pay it forward; for our community and for our employees. We stand by our commitment to shop local and shop small, and we will support businesses in additional ways such as gift cards and online shopping.

We thank you in advance to be smart, be safe and be proactive.

Cheers!

Beaver Island Brewing Company Family
