At Beaver Island, we're not just here to brew great beer; we're going to build a healthy community. We value your trust and support during this time, as we have throughout the past five years. We are a small St. Cloud Proud brewery, committed to our families, friends and neighbors that have helped us in so many ways.

We are taking crucial action to ensure the safety of our customers, products and staff, while providing the same great service and beer. Rest assured, we continue to follow all guidelines set by the Centers for Disease Control and Prevention ([cdc.gov](https://www.cdc.gov)) and the Minnesota Department of Health ([health.state.mn.us](https://www.health.state.mn.us)).
